OLD TIME

Southern Negro Minstrelsy to be Seen Wednesday Night.

Concerning Billy Kersands' Minstrels, which will appear at Holland's Opera House next Wednesday night, April 12, the Daily Advertiser, of Montgomery, Ala., says:

"Fine performance by Billy Kersands and Minstrels. Large audiences at both matinee and night witnessed the performance of Billy Kersands' Georgia Minstrels at McDonald's Theatre yesterday. It was easily and above question the best minstrel show ever given in this theater and it is doubtful if a brighter or better performance of minstrelsy was ever put on the stage anywhere by negroes. Oftentimes in a minstrel performance the soloists are good and the jokes bad, or vice versa. A minstrel show has always from the beginning, it seems, had either one defect or the other. A most equally balanced and excellent combination of genuine old time Southern negro minstrelsy has been put together this season by Billy Kersands. There was nothing coarse or vulgar about the entertainment which was exceptionally good and deserving of patronage."

SURPRISED FRIENDS.

Former Hopkinsville Young Lady Wedded.

Mr. Chas. Jennings, Jr., of Morton's Gap, one of the leading young men of the town, and Miss Ella Keeling, the only daughter of Mr. and Mrs. W. W. Keeling, of Nortonville, also a favorite in local social circles, boarded the midnight train at Nortonville Sunday night and went to Springfield, Tenn., where they were united in marriage, says the Madisonville Graphic.

They returned Monday and were cordially received by the parents of the young lady.

The bride until a year or two ago lived in this city.

SEWER QUESTION.

Considered By the City Council Last Night.

The proposition of a syndicate of capitalists, represented by H. M. Dalton, to establish a sewerage system in the city, was discussed at a public meeting at the Court House Thursday night. The meeting was presided over by Mr. W. A. Wilgus as chairman and resolutions were adopted favoring the proposition. Sentiment is divided in this city between this plan and municipal ownership of the sewers. The Council was expected to consider the application for a franchise last night.

ON TO MADISONVILLE.

City Council Grants Telephone Co., Franchise.

The city council of this city at its meeting last Monday night passed an ordinance permitting the Hopkinsville Home Telephone Company to enter Madisonville for the purpose of establishing long distance toll stations, and it is understood this company will in the very near future have its lines running into this city.—Graphic.

READ THIS.

Hopkinsville, Ky., June 7, 1901.
Dr. E. W. Hall, St. Louis, Mo.,
Dear Sir:—I suffered ten years with severe kidney and bladder troubles, and at times was unable to work. I was advised to try your Texas Wonder, and after using one-fourth of one bottle, I passed a large gravel, and I have never suffered since passing the same, three years ago. I have recommended it to many others, who reported themselves cured. I most heartily recommend it to all sufferers from kidney or bladder diseases.
SAM DEAN.

A Texas Wonder.

One small bottle of the Texas Wonder, Hall's Great Discovery, cures all kidney and bladder troubles, removes gravel, diabetes, seminal emissions, weak and lame backs, rheumatism and all irregularities of the kidneys and bladder in men and women and regulates bladder troubles in children. If not sold by your druggist will be sent by mail on receipt of \$1.00. One small bottle is two months treatment and seldom fails to perfect a cure. Dr. E. W. Hall, sole manufacturer, P. O. Box 629, St. Louis, Mo. Send for testimonial. Sold by all druggists and R. C. Hardwick, Hopkinsville.

ARRANGEMENTS COMPLETED FOR OPEN SESSION.

There Will be Six Speeches
For the Regular Program
April 28.

NEW OFFICERS CHOSEN.

The Athenaeum Holds an Interesting Meeting and Discusses Paper on "Taxation."

Dr. T. W. Blakey, who was on the program for Thursday night's meeting was called out of town and his paper was carried over.

The only paper was by Dr. R. L. Woodward, on the subject of "Taxation." It was a well-presented treatment of existing inequalities and faults in the present system, which calls for the most elastic consciences when taxpayers are required to give in their lists. The subject took a wide range in the discussion that followed, even the Henry George single tax idea having an able advocate.

The committee on arrangements and program for the approaching open session reported that the banquet would be held in the regular dining room at Hotel Latham, from 8:30 to 11:30 Friday evening April 28. The list of speakers will be as follows:

Prof. Edmund Harrison, "Books, Brains, and Brotherhood."

Prof. H. Clay Smith, "Spots on the Sun."

Mr. Frank Rives, "Airships."

Mr. John Stites, "When a Man's Single."

Mr. Geo. C. Gary, "Things Unseen."

Mr. Thos. C. Underwood, "After the Club."

The President of the club will act as toastmaster.

The report of the committee was adopted.

On motion, the program committee was instructed to make arrangements for orchestral music during the banquet.

The annual election of officers was held, a ballot being spread without nominations being made.

Mr. J. W. Downer was elected President on the second ballot, Mr. Frank Rives was elected Vice President, also on the second ballot, and Mr. Garland Cooper was re-elected Secretary, receiving all of the votes.

Those present were:
Messrs. T. C. Underwood, Garland Cooper, J. W. Downer, R. L. Woodward, W. L. Nourse, Joe McCarroll, Frank Rives, H. Clay Smith, Thos. W. Long, Wallace Kelly, J. T. Hanbery, Chas. M. Meacham, Jouett Henry, Lucian H. Davis, A. C. Kuykendall, F. L. Wilkinson, Manning Brown and Edmund Harrison.

WEALTHY WIDOW

To Wed a Fortunate Young Canadian Next Month.

Mrs. Emily Wheeler Elliott, of this county, only daughter of the late Dr. William G. Wheeler and widow of the late Mr. John D. Elliott, of Owensboro, will be married next month to Mr. Chas. Minty, of Toronto, Canada. The Owensboro Messenger gives this information:

"Mr. Minty is a distant relative of Mrs. Elliott and last winter she visited her Canadian relatives. Since then Mr. Minty has made a trip to Kentucky. Leaving Kentucky he went to New York, where he sailed for London for a short business trip.

Mrs. Elliott is one of the most beautiful young women in Kentucky. While she resided in Owensboro she was a social favorite. Mr. Minty is a prominent business man."

Mrs. Elliott is still in her twenties, quite pretty and very wealthy. Since the death of her father she has lived at the Wheeler homestead "Richlands," six miles south of this city. The wedding will be on May 16th and will take place at her country home.
